

**CAPE HORN**

**THE GLACIERS OF THE DARWIN CORDILLERA**

*15 days on the Ocean Tramp yacht. Cruise for everyone.*

## CAPE HORN

One of the most challenging places to sail in the world, very temptinf. It's the point where the Atlantic meets the Pacific, full of storms and towering waves. The waters around the Cape are a haven for fish and seabirds, which delight sailors during their voyage.

The glaciers of the Darwin Cordillera and Gordon Island are the next stage of our journey, where we'll sail through the Beagle Channel to the front of the glaciers. This is a recreational, trekking, and kayaking stage, adding unforgettable moments to this unique experience.

Join us in discovering the magical world of Tierra del Fuego! Embark on a journey that will provide unforgettable experiences while also opening your eyes to the delicacy of this unique ecosystem.

**55°59'S**  
**67°16'W**

draft 2,2m

## Reservoir:

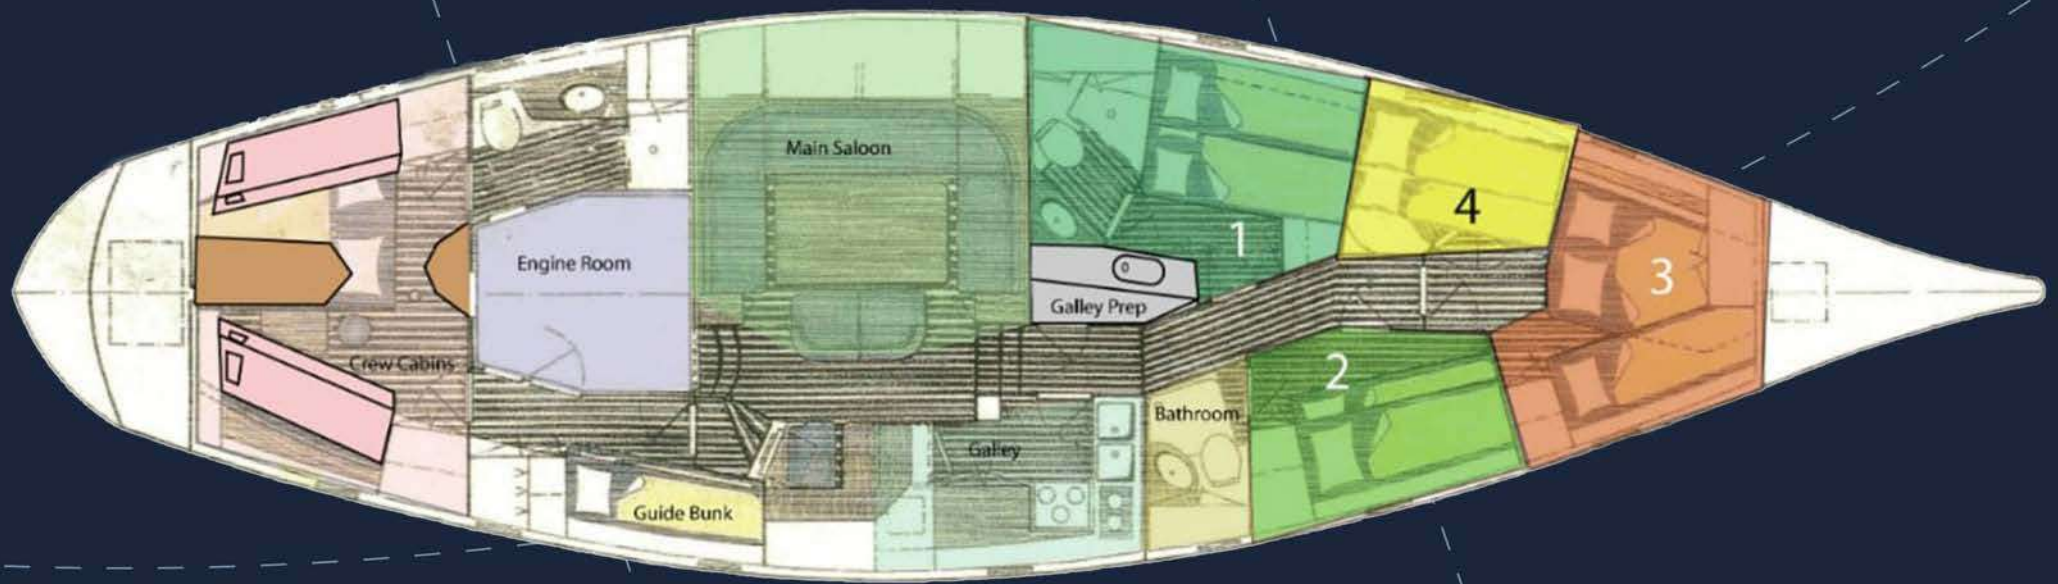

Fuel: 5500l, Freshwater 2500l

## Speed:

Maximum 8 knots, average 7 knots,  
with the use of the engine.

*The yacht has been sailing in the waters of the Drake Passage for many years, and annually spends three months in Antarctica. It is excellently equipped for expedition and tourist adventures thanks to its safety and comfort construction.*

1. Shackleton Suite - Ensuite bathroom (double)
2. Mermaid Cabin (double)
3. Forward Cabin (double)
4. Beagle Bunks (double)

The Ocean Tramp yacht with ketch rigging has a length of 66 feet and offers five cabins, providing comfortable accommodation for 13 people through carefully designed spaces. Its construction allows it to reach speeds of up to 8 knots.

The large foredeck is an excellent space for relaxation and observing nature during sailing. Spacious cabins and ample storage capacity make it ideal for longer expeditions.

*A journey aboard the Ocean Tramp is a promise not only of a captivating sailing experience but also an opportunity to discover and admire the beauty of the open ocean.*
